Year 6 Hoodies

Letters have been sent out about these. We apologise for the error with the bank details (correct details have been sent now). The correct details for the PTFA account are: Account Number: 16943761 Sort code: 050454.

Deadline for orders is: Friday 26th March

Thank you for those people that have already placed an order. We will reply to confirm as soon as we can.

School Uniform

Have your children suddenly grown during lockdown??

We have a variety of second hand uniform for sale - especially pinafores, trousers, summer dresses and shorts!

Please contact us via the FB page/email for details of what we have. Most items 50p-£2 with all money going to the PTFA fundraising.

If you have any second hand uniform in good condition, **especially logo items**, that you are able to donate please get in contact with us.

Easter

We are planning several events this year, slightly different to usual due to covid!

- Virtual balloon race
- Easter goody bags

More details to follow....

Fundraising

As you may know, our fundraising efforts over the past couple of years have been toward helping supply the school with Smartboards for each classroom.

Despite the current circumstances we are really excited to tell you we have been able to provide the school with several more Smartboards for the classrooms - these will be invaluable now more than ever as the children are returning to school. 2 were funded before Christmas and we are now able to fund another one.

Miss Astin's class have let us know just how useful they are:

Miss Astin says:

'We absolutely love our Clever Touch board in Lime! It is easier for us to write on and provides a much clearer picture. There is no glare and we don't have to wait hours for it to turn on. I have found it really helpful during the Zoom sessions too as I can share the board and write alongside the whole class which is brilliant'

Thank you

We have had some extremely kind donations from the following organisations who we would like to thank:

George A Moore Foundation -kindly donated **£3500** (the cost of a Smartboard)

Liz and Terry Bramall Foundation - who have also kindly donated **£3500** for a new Smartboard

Britvic -Match funding of **£250**. (If there is anyone who works for a company that can provide match funding please do get in touch with us)

Thank you Lizzie for all your hard work applying for these grants!

Thank you also to **Carter Jonas** who have been supporting the school through lockdown and have been able to supply some stationary resources to homeschooling families.

Recycling Clothes

If you are having a sort out of clothes please keep hold of them and we will let you know when our next collection at school is as soon as we have confirmed a date...
