## Sunny Weather

The weather forecast promises warmer temperatures and lots of sunshine next week. Please send your child to school with a **named sunhat** and apply sunscreen before they come to school.

If you wish to send sunscreen into school it must be in a named container. Children must apply their own sunscreen, assisted by staff where necessary.

Please also make sure your child brings a **named water bottle** to school.

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)

## Special Achievements

Felicity from Lime class competed in her first gymnastic competition last weekend and won bronze in floor!

Well done Felicity!

Fraser in Chestnut attended Messy Church and created a model lighthouse with a working light.

He had to construct a circuit with crocodile clips, wires, a battery, lightbulb and two brass clips as conductors. When he holds a copper two pence piece against the two conductor points it creates a circuit and the lighthouse lightbulb flashes.

Bodhi and Dougie from Lime class (and their big sisters) met up in London at the Natural History Museum to see the Patagotitan (titanosaur) exhibition - The biggest dinosaur ever discovered!

## Celebrating Achievements

Don't forget to tell us about any achievements or exciting things that your children take part in out of school. These could be anything from sporting events, fundraising activities, community involvement, a special trip or anything that makes your child proud!

Email [victoria.cox@willowtree.nsat.org.uk](mailto:victoria.cox@willowtree.nsat.org.uk) with details and include a photo if you'd like!

If you have any safeguarding concerns about a child that attends Willow Tree, please contact Helen Davey (Headteacher), James Hughes (Deputy Head) or Karen Daggett (Deputy Head)
